- New Czech Marketplace At [xometry.eu/cs/](https://xometry.eu/cs/) Becomes Xometry's 15th Local Language Site

MUNICH, Germany, March 21, 2024 (GLOBE NEWSWIRE) -- Xometry (NASDAQ: XMTR), the global [AI-powered marketplace](#) connecting enterprise buyers with suppliers of manufacturing services, today announced expanded finishing options on its [xometry.eu](https://xometry.eu) marketplace, as well as the introduction of a new Knowledge Hub called [xometry.pro](https://xometry.pro), built specifically for engineers and designers to share their manufacturing knowledge. Additionally, Xometry announced the launch of its Czech Marketplace, [xometry.eu/cs](https://xometry.eu/cs), marking the company's 15th local-language marketplace.

"Xometry's AI-driven marketplace and suite of cloud-based solutions help our customers increase efficiency, improve decision-making and create locally resilient supply chains," said Dmitry Kafidov, the General Manager of Xometry Europe. "Adding 200 classic RAL colors to our finishing options is just the latest example of our ability to deliver enhanced menu options for our customers across Europe while also expanding our vast network of local-language marketplaces for the benefit of our buyers and suppliers alike."

Among the highlights of today's announcement:

- Buyers now have the ability to quote projects by searching among more than 200 classic RAL color codes directly through Xometry's Instant Quoting Engine.
- The Xometry.pro site offers in-depth community discussions around such topics as materials and finishes, industrial design, and CAD software; more than 100 bespoke in-depth articles; links to Xometry's library of eBooks and guides; free tools, webinars and more.
- The new Czech marketplace is one of 15 local-language sites – including Danish, Dutch, English, Finnish, French, German, Italian, Norwegian, Polish, Portuguese, Spanish, Swedish, Turkish and more.

"As a leading marketplace provider worldwide, we're taking our vast knowledge of manufacturing and centralizing it on [xometry.pro](https://xometry.pro), a new community for engineers and product designers to come together, share best practices," Kafidov noted.
