

Xometry Announces Inaugural Excellence In Manufacturing Awards

February 6, 2019

The Awards honor top Partners in Xometry's On-Demand Manufacturing Network

GAITHERSBURG, Md. and LEXINGTON, Ky., Feb. 6, 2019 /PRNewswire/ -- Xometry, the largest online marketplace for custom manufacturing, announced today the winners of the inaugural Xometry Excellence in Manufacturing Awards. The honorees represent the top tier of Xometry's nationwide network of over 2,500 manufacturing partners based on their performance in delivering high-quality parts on time throughout 2018.

"We're thrilled to recognize our top performing Partners," said Randy Altschuler, CEO and co-founder of Xometry. "Our partners share our commitment to delivering high-quality work to our diverse customer base of engineers and designers across the country. We look forward to recognizing more partners in the future as our network continues to grow."

"We're excited to be recognized for our 2018 performance," said Jesse Kleiman of JR Metal Works, one of the Xometry Excellence In Manufacturing Awards honorees. "Our partnership creates a win-win-win situation for the customer, Xometry and the partner that we believe is unprecedented. I'm looking forward to hanging our banner on the wall."

Xometry's technology platform allows customers to easily quote and order custom manufactured parts online across a multitude of manufacturing processes, including CNC Machining, 3D Printing, Sheet Metal Fabrication, and Injection Molding. The parts are then sourced through over 2,500 vetted manufacturers. There is no cost for manufacturers to join the Partner Network and they can choose to accept only the jobs they want.
